CS170 Daily Schedule

March 18, 2020

1. Practice zoom environment

   (a) You are required to set your camera on to join the zoom meeting. You can use your phone if you do not have a webcam in your laptop.

   (b) I have zoom set to default to mute people upon arrival

   (c) You can unmute yourself if you want to ask the question

   (d) You can also raise your hand in the "Participants" menu/option, then I will unmute you

   (e) You can chat under the "More" option, depending on which window/app of mine I'm sharing, I may or may not see the chat window all the time but when I see it I will answer it after the current thoughts

   (f) Office hour can also be held by using "Waiting room" option in Zoom

2. Practice online quiz today at 14:40pm for 15minutes with 3 minutes grace period. If you registered disability service, your time will be extended. Need feedback on future quiz or exam.

3. Plan for today: brief introduction and demo 4 exercises' execution

   (a) You are required to submit one of the exercise before 14:40pm in iLearn

   (b) Remaining exercises are due next Wednesday March 25th before 14:00pm in iLearn by uploading your script and execution screenshots

4. Plan for next two weeks (March 25th and April 1st): either through Zoom or record a video and upload in iLearn

   (a) Git introduce and lab

   (b) Review for final

5. Final Exam: April 8th
